Nobody chooses homelessness. But together we can choose to end it.

Join a community-wide movement to end homelessness in Victoria by:
- expanding prevention programs
- improving crisis responses and
- building more social housing.

Council to Homeless Persons

Did you know?

More than 100,000 Victorians
sought homelessness assistance in 2023/24

60,000
of them were women

24,000
were under 18

Victoria has the lowest proportion
of social housing in Australia
