

# Nobody chooses homelessness. But together we can choose to end it.

Join a community-wide movement  
to end homelessness in Victoria by:

- expanding prevention programs
- improving crisis responses and
- building more social housing.

Did you know?

**More than 100,000** Victorians  
sought homelessness assistance in 2023/24

**60,000**  
of them were women

**24,000**  
were under 18

**Victoria has the lowest proportion**  
of social housing in Australia
