Make every person count

Every Unassisted Person Record is a voice you can advocate for

The Unassisted Persons Collection measures unmet demand but last year almost 16,000 people were excluded due to incomplete fields.

To complete an Unassisted Person Record you must fill in these 3 fields:

1. Year: e.g. 1990, 1980 (estimate is fine)
2. Sex: Male, Female or other
3. Reason: select from list

(* Name: can be blank)
